

BRIDGING THE GAP: ROYALWOOD

Coun. Brian Mayes (St. Vital) was recently presented with a framed map of the Seine River by Save Our Seine president Denis Gautron at the John Bruce Road Bridge. In March, Mayes donated \$28,000 from his constituency representation allowance for the non-profit to hire a staffer after the allowance was increased, per ward, in this year's city budget. SOS had not been able to afford one since a 2011 grant ran out, he said.
